

iSale 5.6.1

Introduction

iSale lets you sell products on eBay from an easy-to-use virtual podium. We have taken the hassle and confusion out of online auctioning, to help you increase your success, as well as your profits! With iSale, the wonderful world of eBay auctioning lies at your fingertips.

iSale received the prestigious Apple Design Award for "Best Mac OS X User Experience" in 2006. In 2005 iSale won "Best Use of Mac OS X Tiger Technologies", making it two Apple Design Awards in two years for the leading eBay solution for the Mac.

Changes in this Version

- Categories and Mappings now load correctly
- Improved item quantity handling in fixed-price auctions
- Added US state support to addresses
